

The 9th International Conference on Advances in Civil and Ecological Engineering Research (ACEER 2027)

August 17-20, 2027 | Hannan University, Osaka, Japan

WeChat

WhatsApp

阪南大学

Conference Topics

Civil Engineering

Structural Engineering
Geotechnical Engineering
Bridge Engineering
Geological Engineering
Construction Engineering and Management
Tunnel, Subway and Underground
Earthquake Engineering
Transportation Engineering
Water Resources Engineering
Urban Planning and Design
Economic Benefits of Green Building
...

Ecology & Environment

Ecosystems
Wetlands and Aquatic
Environmental Monitoring
Sustainable Development
Meteorology and Climate Change
Heavy Metals in the Environment
Renewable Energy Technologies
Water Pollution and Treatment
Environmental Landscaping
Air Quality and Atmospheric Pollution
Economic and Ecological Losses under Polluted Environments
...

Call for Participants

Participation Types

- ✓ Submit an abstract-for oral or poster presentation
- ✓ Submit a full paper –for publication as well as for oral or poster presentation
- ✓ E-mail to the committee-for joining as an audience
- ✓ Submit a CV-for joining as a reviewer

Call for Special Sessions

We invite proposals for special sessions aligned with the conference themes. Special session information could be found via <https://www.aceerconf.org/SpecialSession>

Special Session

Social Science and Economic Approaches Towards Sustainable Development

Session Chair

Prof. Yoshihiro Hamaguchi
Hannan University

Topics
(includes but not limit to the listed topics)

- ✓ Construction Waste Impacts
- ✓ Pollution Economic Risks
- ✓ Environmental Policy for Sustainability
- ✓ Renewable Energy Economics
- ✓ Green Building Opportunities

➔ [Details could be found here](#)

Welcome to ACEER 2027

We are pleased to invite you to the 9th International Conference on Advances in Civil and Ecological Engineering Research (ACEER 2027), to be held from August 17 to 20, 2027, at Hannan University in Osaka, Japan. Organized by Hannan University, the conference serves as a premier international platform for researchers and engineers to exchange cutting-edge ideas in Civil, Environmental, and Ecological Engineering. Hannan University, established in 1965 with around 5,000 undergraduates across two Osaka campuses, is guided by its founding philosophy of cultivating globally-minded professionals.

Building on the success of eight previous editions (2019–2026), ACEER 2027 features keynote speeches, oral presentations, and poster sessions, bringing together leading experts and emerging scholars worldwide. We look forward to welcoming you to Osaka for an exciting and productive conference experience.

Important Dates

Submission Due: May 31st, 2027

Early Registration Due: June 10, 2027

Conference Program

Date	Schedule
August 17	Registration
August 18	Opening Ceremony, Keynote Speeches, Poster Presentations, and Parallel Oral Presentations
August 19	Oral Presentations & Award Banquet
August 20	Poster Presentations

Organizer

Co-organizer

I-Shou University
Department of
Civil Engineering

Conference Committee

Conference Chairs

Prof. Yoshihiro Hamaguchi
Hannan University

Prof. Chih-Huang Weng
I-Shou University

Technical Program Committee

Prof. Jamila Bouchgl, Higher Institute of Marine Fisheries, Morocco
 Prof. Xuande Chen, University of Quebec at Rimouski, Canada
 Assoc. Prof. Robert Dylewski, University of Zielona Góra, Poland
 Prof. Marco Guerrieri, University of Trento, Italy
 Dr. Malek Hassanpour, Osmania University, India
 Prof. Benjamin Heydecker, University College London, UK
 Assoc. Prof. Mehmet Kaya, Yozgat Bozok University, Turkey
 Asst. Prof. Saffet KILIÇER, Artvin Çoruh University, Turkey
 Dr. Rodolfo Labernarda, University of Calabria, Italy
 Prof. Yao-Tung Lin, National Chung Hsing University
 Prof. Ming-Chun Lu, National Chung Hsing University
 Dr. Xuan Hoa Nghiem, Vietnam National University, Vietnam
 Dr. Farooq Sher, Nottingham Trent University, United Kingdom
 Prof. Zhimin Qiang, Shanghai Jiao Tong University, China

Presentation Time Allotted

Presentation Types	Time Allotted
Keynote Speeches	35 mins
Invited Presentations	20 mins
Regular Oral Presentations	15 mins

Notes: An abstract is enough for oral or poster presentation.

Registration

Registration Type	Early Registration (Before June 10)	Late Registration (After June 10)
Regular Participant	USD 600	USD 700
Student/Listener	USD 500	USD 600

Registration Fee Entitlements:

- Conference materials
- Access to all technical sessions
- Lunches on August 18-19 & Award Banquet
- Coffee break on August 18-19

Highlights

Global Platform

- Since 2019, more than **1000** participants from over **30** countries joined the past **8** ACEER conference editions.

Diversity Forms

- **Physical** or **virtual** keynote speeches, **Invited**, **oral** and **poster** presentations, **workshops** and **networking events** keep participants engaged in circulating new ideas.

Awards

- **Best Oral/Poster Presentation Awards**, **Best & Outstanding Student Oral Presentation Awards** will be selected.

Publication Opportunities

- Publication Opportunities in **conference proceedings** or **International Journals** indexed by Scopus or EI or ISI.

Call For Papers

- ◇ Abstracts/full papers should be submitted to ACEER 2027 via the official website <https://www.aceerconf.org/>
- ◇ Accepted presented abstracts will be included in the abstract proceedings for academic exchange only.
- ◇ Accepted full papers will be published in the conference proceeding: **Lecture Notes in Civil Engineering** (indexed in Scopus & EI Compindex);
- ◇ Selected high quality papers can be recommended to some SCI journals with Impact Factor:
Green Processing and Synthesis, IF: 3.8
Applied Ecology and Environmental Research, IF: 0.6

Address: Main Campus, 5-4-33 Amamihigashi Matsubara, Osaka Japan 580-8502

Explore Osaka

Osaka is the capital city of Osaka Prefecture, located in the Kansai region of central Japan. It sits on the Yodo River delta, facing Osaka Bay to the west, which has historically made it a natural center for commerce, trade, and cultural exchange. Osaka offers an incredible variety of sightseeing experiences, from historic castles and ancient temples to futuristic skyscrapers and world-class theme parks. Below are the must-visit spots, organized by category to help you plan your exploration during your stay in Osaka.

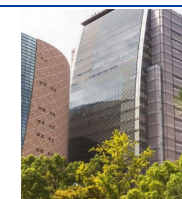

Osaka Castle

Shitennoji Temple

Tsutenkaku Tower

Osaka Museum of History

Nakanoshima Museum of Art

Umeda Sky Building

Universal Studios Japan

Osaka Aquarium Kaiyukan

Tempozan Ferris Wheel

See you in Hannan University, Osaka, Japan!
